and private Industrial Training Institutes

SN PRIVATE INDUSTRIAL TRAINING INSTITUTE

D-117, KAKA COLONY

SARDAR SHAHAR DISTT. (CHURU) RAJ -331401-3

Ph.-01564-275628

Mob.-09414947801 (Secretary)

-09414524873(Superintendent)

Background of the Institute

SN Private Industrial Training Institute a constituent activity of NavChetanaShikhshanSansthan was established in the year 2009 to fulfil the first of the objective of its managing society i.e. preparing employable youth through technical education.

NavChetanaShikhshanSansthan the managing society of this institute is a society registered under Rajasthan societies registration act. 1958 in the office of Assistant Registrar (societies) vide registration no. 104/Churu/2008-2009 On 15 Jan 2009.

This institute was founded by a retired police officer ShriRamiLal Saharan with an objective of overall development of the society with special emphasis on educating and imparting employable skills to the youth so that they can earn their livelihood and serve the nation. The other targeted areas of work of the institute include development of animal husbandry, agriculture, health and hygiene of the people.

SN Private Industrial Training Institute is category I- institute where trades/ units have already been accorded affiliation to NCVT and it has applied for the extension of the units in the electrician trade.

This institute has been granted affiliation two trades namely electrician and insurance agent but we have applied to surrender the insurance agent trade. Thus only one trade with 6 units will be run after the newly sought affiliation is granted by NCVT.

SCOPE OF THE INSTITUTE

SN Private Industrial Training Institute is conducting training in area of electrician. Keeping in view the demand of industry institute plans to add more area of training such as fitter, mechanic(diesel), COPA etc. in a phase wise programme.

Till now the institute has trained 41 trainees in the academic session 2009-2011 and 35 trainees in 2011-2013. Training of 42 trainees for the academic session 2013-15 is going on.

MISSION

We at SN Private Industrial Training Institute are committed to develop skill sets suitable to the advancement of manufacturing and service sector so that

1. We can be recognized as an Excellent Organization Providing World Class Technical Education at all Levels.
2. Striving for Excellence in Technical Education

QUALITY OBJECTIVE OF THE INSTITUTE

- To introduce at least three most sought trades of the nearby industries viz. electrician, fitter, mechanic (diesel) in next 2-3 years.
- To expose students to minimum of three companies as industry inter phase program.
- To achieve 100 per cent placement for the passed out trainees.

SECTION 1- TRAINING AND SUPPORT PROCESS

SN Private Industrial Training Institute has developed plentiful resources in terms of infrastructure, human resources, health safety and environmental safety for the effective delivery of curriculum as follow.

1.1 INFRASTRUCTURE :- The institute follows the infrastructure requirements as laid down in the NCVT Annexure G -5 which details the information relating to the trade wise qualification, duration, unit size and trade wise requirement of space, power supply, equipment etc. The building and site plan of ITI and registration paper / lease documents etc. are uploaded in Accreditation application to NABET – QCI forms and it is also on our web-site. We have obtained fire and environmental safety certificates for the same from the local municipal board.

Power supply

We have 11 Kw connection against the requirement of 5.2 Kw the as per NCVT norms, the building and site plan of ITI and registration paper / lease documents etc. are Uploaded in Accreditation application to NABET – QCI forms.

We take safety precautions for the loose wires and electric switch boards, lighting etc., and care for installation of proper system of MCB's and earthing measures to avoid any electricity hazards and accidents.

1.2 HUMAN RESOURCES:-

Human resource is the most valuable asset of any organisation thus we give utmost priority to the development of our staff and try to keep updated their knowledge and skills through their training and education. Providing them the facility of library and internet.

The Institute follows the requirements of NCVT related to the qualifications and competencies of Principal, Instructors and other administrative staff as per Annexure G -2.

We provide them facilities, salaries and leave as per guidelines provided as per the law of land and best possible with in the resources of the institute.

Requisite number of instructional staff and supervisory staff are provided. They are qualified and possess experience in their posts in line with NCVT guidelines.

1.3 CURRICULUM:-

We follow the curriculum and syllabus guidelines provided by NCVT.

Superintendent of the institute is responsible for keeping up to date on the changes/guidelines suggested by the NCVT from time to time. The superintendent is fully authorised to make necessary arrangement of resource equipment, tools etc.by purchasing. Matters of appointment of staff is forwarded to the Institute Management Committee for its approval.

The curriculum of the trades for which the institute is affiliated is assessed every time before the start of the session by the IMC and any amendments required are carried out prior to the start of the session.

The curriculum has been put up on Institute website. Each HOD is responsible for ensuring the adherence to the course curriculum. The plan for delivery of the course curriculum is prepared on week basis and given to each Tutor.

1.4 TRAINING – LEARNING PROCESS

Our ITI provides appropriate support and resources as per NCVT guidelines to impart training learning process with requisite number of hours and suitable methods. The teaching staff implements the course curriculum through a range of approaches and teaching strategies that recognize diverse learning style relevant to the learning needs. More number of practical sessions is given to the students to enrich their learning experience.

Some of the methods used are;

- Lecture / Presentation through LCD projectors
- Demonstration
- Assigning Exercises
- Field Exposure
- Practices
- Seminars

1.5 CONTINUOUS EVALUATION

We follow NCVT requirement related to continuous and end term assessment of Students. The continuous assessments shall be made based on the class test, weekly tests, monthly tests and the performance of the students in the practical sessions.

A progress card is maintained in respect of every trainee from the date of admission to the Institute.

The monthly test are conducted in all the subjects and the performance be recorded as usual on the monthly and quarterly basis for awarding term marks.

Performance of the students is shown in the workshop through charts. The toppers are encouraged by providing their photographs and percentage on the hoarding in front of the institute.

1.6 INDUSTRIAL INTERFACE AND STUDENT DEVELOPMENT

We shall;

- make necessary arrangements for classroom sessions taken up by suitable faculty / experts from industries,
- arrange periodic industry visits,
- ensure Faculty members along with students to take up real life problems from industries for problem solving and application of principles taught as a part of course work to enhance the skills of the students,
- encourage students to develop necessary soft skills and attitudes so as to enable them getting suitable placements in the industry,
- provide necessary guidance to students for getting placements.

1.7 ADMISSION POLICY

We strictly follow the admission policy and procedure given by the Rajasthan Directorate of technical education Jodhpur.

We shall admit the students purely on the merit based on the marks secured by the candidate in the public examinations based on the minimum qualifications prescribed for the respective trade only as per the maximum number of students allowed for each trade.

We maintain safe custody of the documents submitted by the students including birth certificates, certificates of previous Institution and deposits, if any.

The following is the procedure for the admission

1. The dates for different trades to be announced.
2. Advertisement shall be carried in the local areas through paper media, miking, and one to one canvassing etc.
3. All the enquiries personnel and telephonic shall be recorded in the register.
4. A date for interview to be announced and informed to the potential candidates
5. The faculties shall conduct interview and select requisite no. of candidates based on merit.
6. While selecting the candidates the reservation criteria as per NCVT /DTE Jodhpur guidelines shall be adhered.
7. A first list of selected candidates will be display and cut-off date shall be announced.
8. After cut-off first list second is released, if necessary third and fourth to be continued.
9. All the selected candidates shall be registered and sent to their respective classes.

We shall reserves seats for Schedule Caste, Schedule Tribe, and OBC as per the policy of Rajasthan / and Central Government.

1.8 LEARNING ENVIRONMENT

We shall provide a suitable learning environment for conduction of trainings as per NCVT norms. It is ensured that the training halls, laboratories etc. are well maintained and there are separate lavatories for the male and female students and staff. The Superintendent is responsible for the upkeep of the institute.

We shall provide conditions to facilitate learning environment for both indoor and outdoor activities. The learning environment includes safe class rooms, offices, workshops, laboratories, common spaces and other facilities.

Additionally, we monitor and address issues relating to environmental conditions including:

- a) Adequate illumination,
- b) Adequate ventilation,
- c) Housekeeping and cleanliness,
- d) Safeguard against excessive weather conditions like dust, cold, heat and rain,
- e) Controlling noise and distractions.

1.9 HEALTH AND SAFETY

WE shall determine, maintain and comply with health, safety and security norms including:

- a) Appropriate procedures and training for all staff members to implement emergency and crisis plans & handle accidents
- b) Appropriate training of trainees regarding safety measures at the time of inception of the session.
- c) Provision of fire buckets, fire extinguishers at proper places in the institute.

- d) Provision of proper earthing and care of electric wires
- e) Provision of dispensary in the institute.
- f) Medical check-up of trainees at the time of admission and as when needed.
- g) Agreement of periodic check-upas well as emergency and routine medical services with a reputed hospital.

SECTION 2: PERFORMANCE MEASUREMENT AND IMPROVEMENT

2.1 CONTINUAL IMPROVEMENT

WE shall continually improve the effectiveness of the accreditation system through the use of the Mission, Management Objectives, audit results, analysis of data, corrective and preventive actions and management reviews. For continual improvement purposes an improvement project methodology shall be adopted. All the training processes shall be reviewed at least once in a year considering the in process failures and customer feedback / complaints. Where planned results are not achieved, corrective and preventive action shall be taken, as appropriate, to ensure conformity of service.

The activities / processes requiring the application of Statistical Techniques shall be identified. The data to study the identified activity processes shall be recorded. Principally the Statistical Techniques are used in the following areas:

- a) Student and interested party(s) feedback on elements of curriculum
- b) Student attendance and student dropout rate,
- c) Student performance by way of result etc.
- d) Teacher turnover ratio.
- e) Placement

The results of Statistical analysis are evaluated to initiate appropriate corrective & preventive action.

2.2 MANAGEMENT REVIEW

The management committee shall review the following at least agenda points once in four months for effectiveness and conformity:

- a. Actions outstanding from previous management review meetings
- b. Actions resulting from surveillance by the approval body
- c. Administrative procedures
- d. Course/programme design
- e. Course/programme presentation
- f. Performance of Faculty members/ Resource persons and future training required for the Faculty members/ Resource persons
- g. Complaints and appeals
- h. Analysis of student feedback
- i. Analysis on results of students in skill assessment and certification process by assessing bodies and NCVT

2.3 COMPLAINT HANDLING

We shall adopt following complaint handling procedure:

- a) Providing information regarding complaint handling process to all interested parties through notice boards and our websites.
- b) Maintain record of complaints and regular feedback is sought from students and staff. A complaint register is maintained and a complaint box is put up strategically outside the electrician workshop for receiving any feedback even after office hours. The telephone number superintendent is displayed prominently on the suggestion box and our notice board and on the name plate on the front of institute.
- c) Complaints from the interested parties are recorded in the complaint register.

- d) All the complaints / feedbacks will be acknowledged within one week
- e) The complaints are investigated by the ITI and resolved at the earliest possible. The maximum time for resolving a complaint is 3 weeks.
- f) The respective interested party is communicated on the closure of the complaint to ensure satisfaction.

Records of all complaints and actions taken for the above shall be maintained by the Institution

SECTION 3: GOVERNANCE OF INSTITUTION

3.1 LEADERSHIP

Institute Management Committee has established and it follows formal methods to determine the needs and expectations of the interested parties with regard to effective delivery of curriculum and varied development of the students.

Institute Management committee shall identify all statutory and regulatory requirements for compliance which are mandatory as per the constitution of India and desired by statutory bodies like QCI, NCVT and Rajasthan Directorate of Technical Education and/or helpful in maintaining the quality in the institute.

Institute Management committee;

The affairs of the ITI are being managed by registered management committee (registered under the Rajasthan Societies Registration Act, 1958). Another institute management committee under this committee may be formed to give a broad base representation to different stakeholders within a stipulated period of time. While constituting such a committee key parameters from a sample quality manual given on QCI website may be kept in view. It is as follows.

- a) Involves all members of the Institution in understanding and implementing the mission and quality objectives that are measurable and derived from core training and support processes of the Institution,

- b) Identifies and plan for resources necessary for achieving the Institution's objectives,
- c) Communicates to all members of Institution the importance of meeting the requirements of interested parties as well as the applicable statutory and regulatory requirements
- d) Measures the performance of the Institution in order to monitor the fulfilment of the mission and quality objectives.

Formation of IMC and its registration as a society under Public Private Partnership

a) An Institute Management Committee (IMC) is constituted/ reconstituted for each selected ITI. The IMC is converted by the State Government into a Society under relevant Societies Registration Act. The IMC registered as a society is entrusted with the responsibility of managing the affairs of the ITI under the Scheme.

b) The IMC is led by the Industry Partner. In the IMC, the members are as follows:

- Industry Partner or its representative as Chairperson.
 - Four members from local Industry to be nominated by the Industry Partner in such a way that the IMC is broad based.
 - Five members nominated by the State Govt. [i) District Employment Officer, ii) One representative of the State Directorate dealing with ITIs, iii) One expert from local academic circles, iv) One senior faculty member, v) One representative of the students].
 - Principal of the ITI, as ex -officio member secretary of the IMC Society.
- Formation of IMC in other cases
- Correspondent or promoter as chairperson.
 - Four members from local Industry to be nominated by the Industry Partner in such a way that the IMC is broad based.
 - Principal of the ITI, as ex -officio member secretary of the IMC Society.
 - Two staff members of ITI

3.2 RESPONSIBILITY AND AUTHORITY

Responsibility and the authority of the employees have been defined and communicated them in writing. The responsibility and authority given to the key personnel of the institute is as follow.

President of the society

- Overall In-charge of profitability of the organization/ institution
- Approval of vision and Objectives
- Holding Management Reviews and ensuring all actions are completed as per the decisions of meeting.
- Providing budgets for required resources and its approval.
- Approval of all Capital items purchases.

- Answerable to the Management Committee

Superintendent of the ITI

- Responsible for day today administration of the Institute.
- Ensuring punctuality of time and discipline of the staff as well as well as students
- Implementing the policy of management committee.
- Implementing orders of state directorate, NCVT and other statutory bodies
- Ensuring the quality of training and other facilities to be provided by the institute.
- Maintaining all the records of the institute.
- Internal inspections of the institute.
- Purchasing of raw material other items required in the institute.
- Passing bills and maintaining cash books etc.

Accreditation Coordinator

- He is responsible to prepare Quality Manual and Procedures.
- Ensuring that a quality system is established implemented and maintained in accordance with the Accreditation guidelines.
- Reporting on the performance of the ITI to the management for review and for improvement of the ITI.
- Coordinating with NABET for smooth implementation of the Accreditation System in the ITI.
- Authorized to conduct the Internal Audits.

Tutor/ Trainer/ Teacher

- Preparing Lesson plans in line with the NCVT guidelines
- Conduct of the theory and practical classes in line with the syllabus/curriculum.
- Continuous assessment of the students in line with the assessment criteria
- Reporting of any non-conformances in course delivery/laboratories etc.
- Guide and help to make Quality manual, procedure, process instruction and formats.

3.3 Accreditation Document (s)

A. Quality manual

The manual describes the training and related support processes including their interactions. It shall include or provide references to all documented procedures and other applicable criteria upon which the training system is based.

B. Control of documents

ITI has established a documented procedure describing the arrangements for:

- a) All the documents are to be prepared and reviewed internally for adequacy and approved by the head of the ITI prior to use.
- b) All the documents in the accreditation system are identified as NABET-AM-Version - Date of release of the document
- c) In case of any changes in the manual, the changes can be raised by the respective instructor and the same shall be reviewed and approved by the Accreditation Coordinator.
- d) All external documents, including the relevant regulations that are continuously kept updated.
- e) Relevant documents are available to all concerned within the Institution and to the interested parties. A master list of documents and distribution list is recorded.
- f) Obsolete documents are identified as "Obsolete copy / Not to be used" and kept in a isolated place.

C. Control of records

The institute has maintained the control of records by a documented procedure.

1. All the records within the accreditation system are identified as -REC Name and --Date
2. The accreditation coordinator is responsible for any revisions in the format of the record.
3. All the records are stored at designated places and are identified.
4. The records are maintained and retained based on the legal requirements.

All records are disposed after the retention period either by scrapping or by shredding or by burning.
